

Hancock Health Foundation School of Radiologic Technology Scholarship

The **Hancock Health Foundation School of Radiologic Technology Scholarship** was created by the Hancock Health Foundation to recognize Dr. David Goldenberg for his 32 years of service to Hancock Regional Hospital and the School of Radiologic Technology.

Criteria – To be awarded to an individual currently enrolled in the School of Radiologic Technology and living in the Hancock Health primary service area. The scholarship will be based on the following criteria.

- Academic Standing
- Financial Need
- School/Community Involvement

Selection – The Hancock Health Foundation Radiologic Technology Scholarship selection committee will receive nominations and annually select the recipient(s) to be approved by the Hancock Health Awards and Scholarships Committee. Personal interviews may be conducted.

Scholarship – The amount of the scholarship is \$1,000 and will be paid to the Hancock Health School of Radiologic Technology to be applied toward the recipient's fees. An individual may only receive the scholarship one time.

One or more of these scholarships may be given through the **Luminescence Scholarship** program. All students in the Hancock Health School of Radiologic Technology are eligible to apply, regardless of residency.
